Rigid Global Buildings 20-YEAR GALVALUME WARRANTY

RIGID GLOBAL BUILDINGS, hereinafter referred to as RIGID, warrants to the buyer that RIGID hot-dipped aluminum zinc alloy coated GALVALUME™ sheet steel sold for use as unpainted steel building roofing and siding panels, if erected within the United States, will not rupture, fail structurally, or perforate due to exposure to normal atmospheric corrosion.

This warranty **DOES NOT APPLY** to sheets exposed at any time to corrosive or aggressive atmospheric conditions, including but not limited to:

1. Areas subject to salt water marine atmospheres or constant spraying of either salt or fresh water.
2. Areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust or animal waste.
3. Areas subject to water run-off from lead or copper flashings or areas in metallic contact with lead or copper.
4. Conditions / circumstances where corrosive fumes or condensates are generated or released inside the building.

This warranty **DOES NOT APPLY** in the event of:

- A. Bends less than 2T for steel thickness 0.030" and thinner and less than 4T for sheet thickness 0.031" or thicker.
- B. Slopes of the roof or sections of the roof flatter than 1/4:12.
- C. Mechanical, chemical or other damage sustained during shipment, storage, forming, fabrication, or during or after erection.
- D. Forming which incorporates severe reverse bending or which subjects coating to alternate compression or tension.
- E. Failure to provide free drainage of water including internal condensation, from overlaps and all other surfaces of the sheets or panels.
- F. Failure to remove debris from overlaps and all other surfaces of the sheets or panels.
- G. Damage caused to the metallic coating by improper roll forming, scouring or cleaning procedures.
- H. Deterioration of the panels caused by contact with green or wet lumber or wet storage stain caused by water damage or condensation.
- I. Presence of damp insulation or other corrosive materials in contact with or close proximity to the panel.
- J. This warranty does not apply in the event of deterioration to the panels caused directly or indirectly by panel contact with fasteners. Selection of suitable long-lasting fasteners to be used with Galvalume roofing and siding panels rests solely with the buyer.

This warranty shall be subject to the stipulations, limitations, and conditions hereinafter set forth.

1. RIGID's liability for breach of this warranty shall be limited exclusively to the cost of either repairing nonconforming panels, or at RIGID's sole option, or furnishing FOB buyer's panels for the nonconforming panels.
2. RIGID shall not in any event be liable for the cost of labor expended by others on any nonconforming sheets, or for any special indirect or consequential damages to anyone by reason of the fact that such panels shall have been nonconforming.
3. Claims must be promptly reported in writing to RIGID and RIGID shall be given a reasonable opportunity to inspect the panels claimed to be nonconforming. Adequate identification of the material involved in the claim, including date of installation, RIGID order number, coil number, invoice number and date of shipment must be established by Buyer.
4. Buyer shall exercise diligence in inspection of sheets received from RIGID so as to mitigate repair or replacement.
5. RIGID extends this warranty solely to the buyer. This warranty is not transferable and non-assignable with the only exception being transfer of this warranty to an original buyer from an authorized RIGID Builder.
6. RIGID reserves the right to terminate this warranty any time (except as to orders already accepted) upon the giving of written notice thereof.
7. This warranty is the full and complete agreement of the parties and shall not be modified, altered or extended except in writing and signed by RIGID and the Buyer.

RIGID GLOBAL BUILDERS MAKES NO GUARANTEES, EITHER EXPRESS OR IMPLIED BEYOND THE FACT HEREOF; INCLUDING WITHOUT LIMITATION, WARRANTIES OF FITNESS LIABILITY WITH RESPECT THERETO.
